MEMORANDUM FOR Newly assigned Soldiers to the 10<sup>th</sup> CSH

SUBJECT: Welcome to the 10<sup>th</sup> CSH

1. Welcome to the 10<sup>th</sup> Combat Support Hospital, "*Mountain Medics*", the United States Army's premier 248-bed deployable hospital. Our highly trained and diverse staff is committed to saving lives on today's battlefields and providing humanitarian assistance to any location in support of our nation's objectives. Capable of providing partners and any others authorized care. We will always "Conserve Fighting Strength" and live up to our mantle of "angles on the battlefield". And in keeping with the final tenet of the Army's Warrior Ethos we will "Never Leave A Fallen Comrade".
2. The 10<sup>th</sup> CSH is a character-based organization that cares passionately about what it does and how it takes care of its people, to include our family members and single Soldiers. We have a long history of battlefield excellence that requires innovative and dedicated individuals of character and strength to ensure that we remain the nation's choice to care for its sons and daughter when they need us most.
3. Congratulations on your assignment to the best Combat Support Hospital in the Army. We are excited to have you join our team and are confident that you will find your assignment both personally and professionally rewarding.
4. If you need any assistance, please contact the S1 section (719)-526-8167/0275/2657 or Staff Duty Desk at (719)-526-3800.

*"Mountain Medics"!*
